(Business Wire) — “Moms count on having the best in holiday treats for many reasons: entertaining guests, visiting friends and relatives, decorating the house, and of course, gift giving, both big and small,” noted spokesperson Tricia Bowles of Nestlé USA Confections & Snacks. “Nestlé Candy is delighted to bring back crowd-pleasing favorites and introduce special new items just in time for the holidays.”

Among the most popular candies for stocking stuffers, decorating or simply snacking and sharing, Nestlé’s holiday treats come in a wide array of flavors and brands from WONKA SweetTARTS, NERDS, Lik-M-Aid Fun Dip, Butterfinger, and Nestlé Crunch. **(Photo: Business Wire)**
