

## Photo of the Day: Kicking the Can

(AP) — In this Tuesday, April 23, 1985, file photo, provided by the Atlanta based Coca-Cola Co. the history of shapes of the soft drink's bottles is displayed.

Soda cans and bottles may start to feel a bit quaint in coming years as Coca-Cola says it will soon let people make its drinks at home with a beverage machine being that's developed by Green Mountain Coffee Roasters. **(AP Photo/Coca Cola)**
