

Cal-Maine Completes Purchase of Delta Egg Farm

JACKSON, Miss. (AP) — [Cal-Maine Foods Inc.](#) [1] says it has completed its purchase of the remaining half of Delta Egg Farm LLC.

[Cal-Maine](#) [2] is paying \$17 million to a unit of Moark LLC of Fontana, Calif., to buy the half of the Delta Egg operation that it doesn't own.

Delta Egg Farm includes a feed mill and 1.2 million-hen capacity egg complex near Delta, Utah. It also includes a 400,000-hen capacity organic egg complex near Chase, Kan.

Based in Jackson, Miss., Cal-Maine is the largest producer of fresh shell eggs in the United States, selling its eggs in 29 states.
