

Photos of the Day: Japan Whaling Supporters Plan to Continue Hunts

A supporter of Japan's whaling eats a slice of whale meat during the 26th whale meat tasting event in Tokyo Tuesday, April 15, 2014. Hundreds of Japanese pro-whaling officials, lawmakers and lobby groups vowed to protect whale hunts despite the world court ruling that ordered the country's Antarctic research culls must be stopped. **(AP Photo/Koji Sasahara)**
