Kraft Recalls 1.2 Million Cases of Cottage Cheese

NORTHFIELD, Ill. (PRNewswire) — Kraft Foods Group is voluntarily recalling select *Knudsen* Cottage Cheese, *Breakstone's* Cottage Cheese, *Simply Kraft* Cottage Cheese, and *Daily Chef* Cottage Cheese products. Some ingredients used in these products were not stored in accordance with Kraft's temperature standards. While unlikely, this could create conditions that could lead to premature spoilage and/or food borne illness; therefore, the company is issuing the recall as a precaution. The affected products all have code dates from May 9, 2014 through July 23, 2014.

Approximately 1.2 million cases of affected product were shipped to customers across the United States. The affected products were not distributed outside of the United States.
