

Sanitary Laundry Brochure

Lindsey Jahn, Associate Editor

Company has released its "Laundry Carts, Trucks and Baskets" product brochure. This literature features:

- P-433 and P-291 Biohazard bulk forklift containers for safe handling of soiled shop towels and other hazardous materials
- 101P series of bulk linen trucks that includes Company's non-removable shelf system
- Ergonomic carts and trucks designed to reduce bending, reaching and lifting
- Rotomolded laundry carts, sorting tables and accessories
