## Cable Entry Seal

Food Manufacturing Staff

The C R S T cable entry seal has been approved for IP69K, demonstrating its ability to protect equipment during industrial high pressure cleaning with very hot water. The seal is designed for installation in cabinets and enclosures. It is available in four sizes and can handle cables or pipes with diameters ranging from 0.142" to 1.181". It is designed for single cable or pipe penetrations and allows the routing of pre-terminated cables without cutting or splicing. Other important features include:

- Round cut-outs
- A threaded sleeve
- Quick and easy installation
- Comes as complete sealing kit
- Meets UL/NEMA 4, 4X, 12 and 13, IP 66/67 and IP69K specifications
