

VIDEO: What is Gluten? Jimmy Kimmel Asks Health-Conscious Passersby

Jimmy Kimmel Live!

Video of Pedestrian Question - What is Gluten?

Some people can't eat gluten for medical reasons, but a lot of people in Los Angeles don't eat gluten because someone in their yoga class told them not to. Late night host Jimmy Kimmel wondered how many of these people even know what gluten is, so Jimmy Kimmel Live! sent a camera crew out to a popular exercise spot in LA and asked people who are gluten-free a simple question: "What is gluten?"
