VIDEO: Best Burger in America at Conan O'Brien's?

Conan O' Brien

In this clip from Conan, we meet Troy Fieri —"no relation"— a large guy with spiky blond hair and a penchant for barking out extreme, often made-up adjectives. Troy and his show, Road Food, crash Andy Richter's on-set burger stand. Not only does *The New York Times* recommend Richter's burgers, but Troy licks one suggestively and sneers, "daddy like!"
